Dear Reader:

The Southwest New Mexico Council of Governments prepared the 2011 Statistical Abstract as a service to counties, municipalities, and other groups in the four county region we serve. This is the 24th revision of the Abstract.

The information is gleaned from a variety of sources. It is intended to provide a reference for economic development, infrastructure design, grant applications, and community research. We are grateful to the Economic Development Administration and the State Grant-in-Aid for funding this important publication.

We would like to thank the other organizations and individuals who contributed their time and information to make this publication possible.

We invite your feedback on the 2011 Statistical Abstract. The Abstract is posted on our website, www.swnmcog.org. Hard copies may be ordered by contacting 575-388-1509.

Sincerely,

Priscilla C. Lucero
